

Les faux amis

Actually <i>en fait / corrigé</i>	Actuellement <i>currently</i>
--------------------------------------	----------------------------------

Actually I don't know him at all.

The sector is currently going through a deep crisis.

Eventually <i>finir par / conclure</i>	Eventuellement <i>could</i>
---	--------------------------------

He eventually agreed she was right

She could maybe hire some more staff

A policy <i>une doctrine / loi</i>	La politique <i>politics</i>
---------------------------------------	---------------------------------

Society <i>un groupe de personnes</i>	Une société <i>a company</i>
--	---------------------------------

Important <i>présentide</i>	Important <i>huge</i>
--------------------------------	--------------------------

To prevent somebody from doing sth <i>empêcher qqn</i>	Prévenir <i>to warn</i>
---	----------------------------

Economical <i>faire des économies</i>	The economic situation <i>finance / capital</i>	Economics <i>l'économie</i>
--	--	--------------------------------

Sympathetic <i>compétition</i>	Sympathique <i>cool</i>
-----------------------------------	----------------------------
